

**Be sure to place this information in all files. I will deduct 1 point for each file missing this information.**

```
// Your Full Name
// Your Email @my.smccd.edu
// CIS 255 WJ
// Class Name
// Class Description
// Lab #
// Date: October 18, 2012
```

**Do exercise 14.8 on page 626. Name the class AlignFrame and the application Align. Do exercise 14.10 on page 626. Name the class ColorSelectFrame and the application ColorSelect. Use a JComboBox and put 5 color names in it.**

**Your name should appear on the title bar of each window. You must follow Good Programming Guidelines including consistent indentation, variable naming conventions, and comments.**

**SUBMIT: All files must be compressed into a single zipped file named lab4.zip and uploaded to WebAccess. Find the week that the lab is due and click on the upload link. You must use WinZip or a similar utility to compress your files.**
